

YOU'VE BEEN BOOZED!

Who said Halloween is only for kids?!

When Halloween is in the air
all of the moms could rip out their hair.

I left these much deserved goodies at your door
and challenge you to "booze" 2 moms more.

So get going and Please make haste,
The time to share Joy we mustn't waste.

Pick 2 moms that could use the booze
and drop off at night, what is there to lose?

Whether you've had a bad year, or week, or day,
I want you to know you're special in every way!

PS. Don't forget to Post your sign, we wouldn't want you to
get too much wine :)

I'VE BEEN BOOZED!
